Big Brother Peeps Again!

In our editorial titled "Big Brother Wants to Watch" recently we referred to a Bureau of Census demand for information regarding race and descent from all self-employed business people.

It sought to separate the races, i.e.: Chinese, Japanese, Filipino, Korean, White, Black or Negro, Indian, Oriental and "other-specify."

It sought to ascertain race or origin, i.e.: Mexican, Cuban, Puerto Rican, Central or South American, and "other-specify" which is to include Chicano and Mexicano.

The editorial created a flurry of resentment. Mrs. Jean Woody, who with Thelma Jordan, and their husbands, own a trailer park in Lemon Grove, submitted the copy of a letter which replied to the Bureau's second demand.

Why was the first compliance rejected? Because under "other-specify" they had listed "Caucasian-U.S." as their origin.

Of course, this couldn't be the Department must have reasoned. So it was fired back to Woody-Jordan with an order to be more specific.

If their answer doesn't satisfy the Bureau, the women can claim to be card-carrying Cuban Communists (which they are not, of course) so that some Bureau clerk can close the file with a deep-felt "aha."

The Woody-Jordan letter:

Dear Bureau:

In this answer to your second letter regarding our filing of the 1969 Survey of Business Ownership form, we must admit we haven't figured out how to answer the first letter yet.

You state we have failed to complete that portion of the form donated by a circle (actually an irregular elliptical figure) under the column labeled "Descent or Origin." Just how many generations do you want us to go back? Not being students of genealogy, we have only vaguely absorbed portions of our families' histories. Here are a few of the stories handed down.

Two ancestors in the Woody family were signers of the Declaration of Independence — namely Van Aiken and Wolcott. We believe Van Aiken was Dutch. There is a museum in New York City in the original Van Aiken homestead which was built while that city went under the name of New Amsterdam. Wolcott's origin is unknown. Ethan Allen of Colonial fame was another reputed ancestor, origin also unknown. Heaven knows what ethnic backgrounds were absorbed in the many generations following these early illustrious figures — except it is known a bit of German entered the picture three or four generations ago.

Another branch hails from Tennessee. The ancestors went there with Daniel Boone, and afterward took into their bosoms some good Irish and Indian blood, not to mention someone from Louisiana — presumably French with a possible touch of Cajun.

In the Jordan tree a most romantic tale tells of that family's descent from a baby washed up on the Atlantic shores in a coffin — the Lord only knows the tragedy preceding this miraculous rescue or from whence this little life originated — but it was given the name of "Coffin", and some female Coffin married a male Jordan (origin unknown). Also, there are stories of a big Texas ranch owner who sired grandparents of one branch of the family. Another line from the northern middle-west enters the picture with talk of French descent.

Now in this bunch where do you find "Mexican, Chicano, Cuban, Puerto Rican, Central or South American, or Other Spanish"? We thought "Caucasian - U.S.", our answer, pretty well covered the picture. We are not snobbish about it — we'd welcome a little of the above quoted Latin blood, but we can't find any. Maybe we are just stupid and missed the whole point of the Survey.

Sincerely,
Business Owners

Armed Robberies Reported In L.G. Over Weekend

Two robberies occurred in Lemon Grove over the weekend, netting armed suspects over \$300 in cash.

At approximately 11 p.m. Saturday night, Gentry's Shell Service, 3015 Imperial ave., was the victim of an armed robbery.

According to station attendant Jose Valdez, who was on duty at the station at the time of the incident, a Negro man, about 21 years old, about 6-2 and weighing about 160 lbs., came into the station and threatened him with a knife.

The suspect then ordered Valdez to open the cash box. The suspect took about \$60 and fled the scene on foot.

Two men, one armed with a hand gun, held up Bradshaw's Supermarket at 1805 Massachusetts ave., Lemon Grove, early Monday morning, fleeing with about \$250 in cash.

According to clerk Donald Mercurio, the men entered the store at approximately 1:50 a.m. One of the men approached Mercurio and displayed a gun, demanding money.

The men then forced Mercurio to run away from the store. The two jumped into an automobile occupied by a third man and drove away.

According to Mercurio's de-

scription of the two men, they were both Negroes, about 25 years old, 5-10 and 180 lbs. One of the men wore a faded gold corduroy jacket and a black felt hat. The other wore a white shirt and a red ball hat.

The automobile in which they fled was a Thunderbird, about a 1962 model, faded blue or purple in color. No license plate number was determined.

Man Arrested In Spring Valley

Ralph E. Mann, 24, of 3725 Avenida Palo Verde, Bonita, was arrested last Thursday morning at 6:45 a.m. for possession of an illegal weapon and possession of an open container of alcoholic beverage in his vehicle.

Mann was stopped by Sheriff's deputies on Kenwood dr. east of Bancroft dr. in Spring Valley for speed violations. The arresting officer contacted the suspect and detected the odor of alcohol in the car.

A routine "pat" search revealed a large knife on the suspect's person, and a detailed search netted an open can of beer and illegal dagger in the automobile.

SV Printer Jailed For Drug Use

SAN DIEGO (CNA) — A 34-year-old Spring Valley printer Thursday in Superior Court was ordered to spend four months in the honor camp after pleading guilty to possession of restricted, dangerous drugs and to driving while under the influence of drugs.

Jack Everett Duke, of 1140 Carlsbad st., was arrested by the CHP Feb. 24. A search of his car disclosed 41 pills and 14 capsules, according to the records.

He pleaded guilty to both charges March 11. He spent nine days in jail after his arrest and then was released on \$1,000 bond.

Judge William P. Mahedy put Duke on two years "informal" probation to the court and adjudicated the offense a misdemeanor, instead of a felony.

Spring Valley Youth Saved From Mine

Steve Kissinger, 17, son of Mr. and Mrs. William Kissinger, of 8131 Cameron dr., Spring Valley, was rescued Saturday from a mine that claimed the lives of two Marines last July.

The mine, Senator Mine, is located 22 miles north of Winterhaven. Kissinger reportedly entered the mine through a hole 200 feet north of the main shaft, proceeded approximately 75 feet through a diagonal tunnel and fell 50 feet down a side shaft.

He was taken from the shaft by Raymond Bell, chief of the Winterhaven Fire Department Rescue Squad. Officials at nearby Imperial Dam were notified of the accident by two companions of Kissinger.

Kissinger was taken to Parkview Baptist Hospital in Yuma, where he was treated for minor injuries and released.

School Board Candidates' Qualifications Reported

Melvin E. Nunn, of 9345 Hillside dr., Spring Valley, is a candidate for the La Mesa-Spring Valley School District Board of Trustees.

Nunn, 38, is an engineering manager at the Naval Electronics Laboratory, married, and the father of three children. He holds a valid California teaching credential from work at San Diego State and UCSD.

Nunn

He served for four years in the Navy, and is active in PTA, little league, Indian Guides, the National Management Association, and is a vestryman and lay reader at the Episcopal Church.

Nunn said that the major problem facing the district is that of finance, adding that the tax burden on local taxpayers is too great. He said that there is a need for reform at the state level to equalize educational funds.

Kiwanis Youth Project Planned For L.G. Center on School Lane

Grove Man Graduates

Frank C. Adams, of 8644 Sandy Beav ln., Lemon Grove, was among 23 new Deputy Sheriffs of the County Sheriff's Academy that graduated March 31 from a special course in Radiological Monitoring Operations held at the County Civil Defense Training Center, Gillespie Field.

The course is part of a 15-unit program given at the Miramar College. Over 450 hours of training are required in the program which readies the men for service.

The Radiological course includes 16 hours of classroom and field training and affords the men instruction in the safe use of Geiger counters, ion chambers, and other radiological measuring devices.

Students in the course are instructed in the proper handling of emergency situations involving radioactive isotopes which are used in medicine and industry.

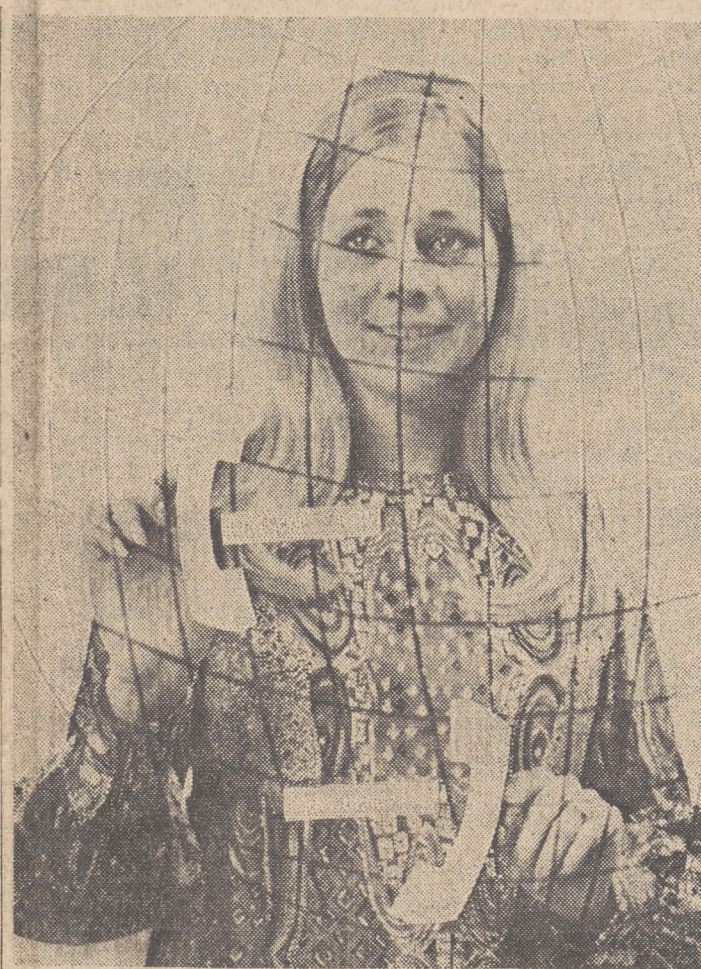

Galley Slaves To Perform

The Galley Slaves Novelty Band of Lemon Grove will perform at the 56th National Orange Show in San Bernardino April 20 at noon.

The 28-member group is directed by Lura M. Huey.

The presentation is one of several to be featured in a continuous round of non-professional performers staged for visitors during the entire 11-day run of the National Orange Show.

On the daily programs will be marching bands, concert and stage bands, choral and dance groups, gymnastic acts and many other types of talent furnished by southland school, civic, fraternal, musical and military organizations.

PHONE FIGURES — Mrs. Carole Miller of Lemon Grove, a Pacific Telephone employee shows how closely the number of telephones in the La Mesa exchange, which includes Lemon Grove, matches the number in Monterey, Mexico. This fact is gleaned from "Telephones Around the World," American Telephone and Telegraph's annual booklet dealing with worldwide telephone usage.

Spring Valley Girl Is First To Register For East County Fair Queen

The quest for a new queen to reign over the 19th Annual Eastern San Diego County Fair began last week with the placement of application forms in local businesses.

Debra Holland

Sponsored by the El Cajon Jaycees as an annual community project, the fair will be held May 26 through 31 at Gillespie Field in El Cajon.

The contest for the 1971 queen is open to any single girl between the ages of 16 and 21 who lives, works or attends school in the Heartland area. Candidates will be judged on the basis of poise, personality and appearance.

Debra Holland, of Spring Valley, who was selected as last year's Mother Goose Queen, was the first contestant to register for the pageant.

The fair queen serves as the Jaycees' feminine ambassador in spreading news of the event. Her duties are many but above all, she will have the opportunity to participate in the presentation of the fair, an event that includes entertainment, competition and family fun during the Memorial Day holiday weekend.

According to Steve Puente, queen contest chairman, the winner of the 1971 competition will receive a trip to San Francisco, a savings bond and many other gifts.

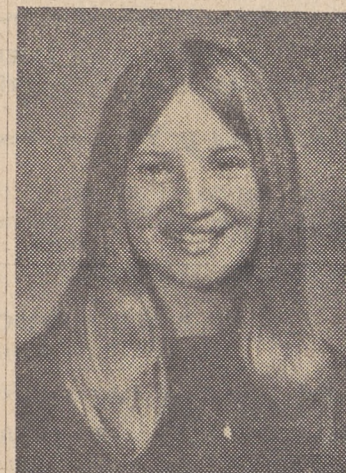

Eligible girls wishing to enter the contest which is scheduled May 12 may obtain applications at the Marine Corps

recruiting Office, 354 N. Magnolia, El Cajon, and in the housewares dept., Sears, El Cajon. Deadline is May 3.

The fair is a non-profit venture sponsored each year to promote activities for youth and to present varied entertainment to the community. All proceeds return to the community in the form of Jaycee-sponsored activities and presentation of each year's fair.

Three Girls Bring Entries For Contest

Three more young ladies have brought their applications in for the Miss Lemon Grove contest.

Jean Mattson

They are Jean Mattson, of 1743 El Roy dr., Yvonne "Bonnie" Zamora, of 1630 Skyline dr., and Brenda Speck, of 7821 Longdale dr.

All three girls are seniors at Mount Miguel High. Jean has brown eyes and light brown hair, Bonnie has brown eyes and dark brown hair, and Brenda has blue eyes and blonde hair.

The last day for entry in the contest, which will be held at 7:30 p.m. April 17 at Lemon Grove Junior High, is April 12, 5 p.m. Entry blanks and rules are available at the newspaper office, 7834 Lester, Lemon Grove.

Counseling, Recreation Center To Open Soon

A special youth project committee of the Lemon Grove Kiwanis Club announced this week that efforts to create a counseling and recreation center for local teens have been successful.

According to Rev. Jimmy Johnson and Len Farness, committee co-chairmen, thanks to co-operation and efforts by Loretta Devin, who is secretary for the Lemon Grove Youth Center, the Youth Cen-

ter will be used to house the Kiwanis project.

The project started late last year, growing out of the Kiwanis Club's special development committee.

The committee, led by Johnson, brought together members of several other service groups in the area and formed several subcommittees to study the feasibility of the project.

After several meetings, problems arose in securing a building which would be suitable for the site, and progress was stalled.

Through efforts made since early this year, Johnson said, the Lemon Grove Youth Center, 3146 School ln., Lemon Grove, was made available.

Guidelines for the program have been set up by subcommittees. Included in the plan is a board of directors made up of an equal number of teenagers and adults. An advisory council, headed by a paid director, will be responsible to the board of directors and will supervise the program.

The center will be open Tuesday, Saturday, and Friday evenings, and will include dances, radio and television, and rap groups, according to tentative plans. Daytime activities will include crafts, sporting events, and others. Facilities expected to be included will be a "black light" room and a soft drink and snack vending machine.

Farness added that right now "we're looking for teenage volunteers over 18 to assist in Youth Center Activities." Volunteers, who will be required to be trained by the YMCA Life Line staff, can call 463-3212 for information.

Grand opening of the center is expected to be within the next month, according to Farness. The opening will be announced in this newspaper.

'Run For Your Life' Program Starts Monday

A new session of "Run For Your Life", the popular jogging program of the YMCA, will begin at Heartland YMCA Monday, according to executive director Bill Moss.

The classes will meet three times each week, Monday, Wednesday, and Friday, at 5:30 p.m. for 45 minutes of exercise and jogging at the Heartland YMCA, 8881 Dallas st., La Mesa.

Preregistration for the classes are due no later than tomorrow, and must be accompanied by permission from a physician.

Cost of the class is \$10 for members of the YMCA, and \$15 for non-members. Cost includes a Run For Your Life sweatshirt, materials, and two tests which will be given. Non-member costs include a basic "Y" membership.

The class will run for 12 weeks under the guidance of a trained YMCA exercise instructor, who will teach safe principles for training and will counsel members of the class with individual fitness problems.

Duffy Names Joseph Martinez As Assistant

Sheriff John F. Duffy appointed Joseph Martinez, 47, as one of his Confidential Assistants this week. "Martinez will have a variety of assignments," said Duffy, "but his primary duty will be in the new Office of Community Affairs, working directly with the Mexican-American community of San Diego County."

The Chicano Federation, which includes most local Mexican-American organizations, assisted in the selection of Martinez, at Sheriff Duffy's request, by recruiting and screening applicants. Martinez was one of three persons submitted by the Chicano Federation to be interviewed for final selection by the Sheriff.

Martinez, who recently retired with 30 years service from the Navy, has lived in the San Diego area since 1946. He has been an active member of the G.I. Forum since 1966 and served as a delegate to the Board of Directors of Project S.E.R. in the National City area. He has been active in Scouting and Little League, and has been working with the Mexican-American Advisory Committee, as well as the Narcotics Prevention and Education Systems, Inc., both of which are Federally funded agencies in the Mexican-American communities.

Martinez makes his home in National City, has been married for 25 years, and has five children whose ages range from 11 years to 24 years. He

Martinez

joins Jimmy A. Wilkins, previously appointed Confidential Assistant, in the Office of Community Affairs, and his annual salary in the new position will start at \$11,172 with advancements up to \$13,584.

LG Fire Report

Six fire calls, including three on March 31, kept the Lemon Grove Fire Department on the go last week.

On March 31, firemen put out a grass fire, answered a call to a house which was filled with smoke from food left on a stove, and extinguished a vehicle fire at Imperial ave. and Central ave.

Other fires for the week included a pickup truck fire on April 1 and a Volkswagen fire April 2. The pickup was not damaged, but according to reports the VW was nearly totally destroyed by flames.

Learn Spanish the Easy Way

Hardison's Telespanish

By JAMES HARDISON

Please give some examples of Spanish expressions which describe ideas like "easy-going," "take it easy," and "easy street." All of these use the word "easy" which is "facil." However it is not clear if "facil" would be used in each of these expressions.

"Tranquilo" is the proper way to say "easy-going." We may say "Pedro es muy tranquilo," for "Peter is very easy-going." If we wish to use the same word to describe Mary we might say "Maria es muy tranquila" When we described Peter we used "tranquilo."

"Tranquila" described Mary. In the first example this adjective is masculine and ends in the letter "o." The latter example is feminine and requires the adjective to end in the letter "a."

"Calma" offers another means to convey "easy" when we wish to say "take it easy." For example, "Tomo las cosas con calma" means "I take things easy." A command form of this expression may be

made when we say "Tome usted las cosas con calma." (You take things easy.)

"Esplendamente" is the nearest equivalent to the English expression "easy street." This may be seen in the phrase "El vive esplendamente," for "He lives on easy street." To indicate a negative expression we may say "No vivimos esplendamente," for "We don't live on easy street."

"Facil" is a direct way to say "easy." We may say "Es facil" for "It is easy," or "No es facil" for "It is not easy."

You may wish to expand your capabilities in the use of "tranquilo, calma, facil and esplendamente" by saying them in the following phrases. If you wish to have some guidance in the phonetics, dial 276-2762 on your telephone and hear the recorded voice say the same phrases.

IMPORTANT PHRASES:

Say "Es usted muy tranquilo?" (ehs oo-STEHD MOO-ee trahn-KEE-loh) for "Are you very easy-going?"

Say "Yo soy muy tranquilo." (yoh SOH-ee MOO-ee trahn-KEE-loh) for "I am very easy-going."

USEFUL PHRASES:

Say "Toma usted las cosas con calma?" (TOH-mah oo-STEHD lahs KOH-sahs kohn KAH-lah-mah) for "Do you take things easy?"

Say "Yo tomo las cosas con calma." (yoh TOH-moh lahs KOH-sahs kohn KAH-lah-mah) for "I take things easy."

OTHER PHRASES:

Say "Vive usted esplendamente?" (VEE-veh oo-STEHD eh-splehn-dee-dah-MEHN-teh) for "Do you live on easy street?"

Say "No es facil." (noh ehs FAH-seel) for "It is not easy."

In 1969 California ranked fifth in the nation in the number of dairy cows bred by artificial insemination, behind Wisconsin, New York, Minnesota and Pennsylvania.

ROUGHING IT — More than 350 new recreational vehicles — such as this ultra-comfortable motor home — will be on display during the 4th annual San Diego Sports, Vacation & Recreational Vehicle Show, May 5-9, at the International Sports Arena.

Camping this way can be a pleasure for Mom and the kids too, with such home-away-from-home luxuries as showers, toilets, running water, heating and air-conditioning, carpeting, ranges and ovens, refrigerators and full size beds.

This column of questions and answers on federal tax matters is provided by the local office of the U. S. Internal Revenue Service and is published as a public service to taxpayers. The column answers questions most frequently asked by taxpayers.

Q Do I have to report interest from U. S. Savings Bonds on my tax return?

A Yes. Interest earned on your Savings Bonds is taxable and must be reported. However, you have the option of reporting the interest each year as the redemption value increases or all at once when the bonds are redeemed, or mature, whichever is earlier. If you elect the yearly method of reporting, you must continue it even for all future bond purchases.

To report the interest from the Savings Bonds, add it to your other interest income, and enter the total on line 14 of Form 1040. If your total interest income is over \$100, the amounts and source must be reported on Schedule B, which should be attached to your Form 1040.

Q Because I am suffering from a deficiency disease, my doctor prescribed vitamins for me. Is the cost of the vitamins deductible on my tax return?

A Yes. Items such as vitamins and iron supplements prescribed or recommended by your doctor are deductible as medicines and drugs. Then,

to the extent that medicine and drug expenses exceed one per cent of your adjusted gross income, they may be included with your other medical expenses. Medical expenses in excess of three percent of your adjusted gross income can then be deducted on your tax return if you itemize deductions. More information on the rules for deducting medical expenses can be found in Publication 502, Deduction for Medical and Dental Expenses, available free from your local IRS office.

Q My son works during the day but is taking college courses at night. May I still claim him as a dependent regardless of how much income he had?

A No, you may not claim him as a dependent if he had income of \$925 or more and was 19 years of age or over at year-end. If your child was a full-time student during any part of each of five months of year, you may claim him as a dependent regardless of age or income provided you meet all the other dependency tests. However, if your child is employed full-time during the day and attends school during the night, he is not considered a full-time student.

Q I am married and filing a joint return. My wife had no income last year. Does she still have to sign the return?

A Yes. A joint return must be signed by husband and wife even though only one had income.

Q I'm 65. Do I still have to file a return?

A If you are single and 65 or older you do not have to file a return unless your income was \$2,300 or more. If you are married and entitled to file jointly and your combined income is less than \$2,900, you still do not have to file. Finally, if your spouse is also 65 or over and you are entitled to file a joint return, you do not have to file unless you made \$3,500 or more.

However, you must file a return and pay any tax due if you have net earnings from self-employment of \$400 or more regardless of age.

Q Can I deduct the cost of my work clothes on my Federal income tax return?

A Generally, you may not deduct the cost and maintenance of work clothing. However, if your job requires special apparel or equipment as a condition of employment and the apparel is not adaptable for use as regular clothing, its cost and maintenance are deductible. Examples of work clothing whose cost is deductible as employee expenses are uniforms worn by mailmen, nurses, policemen and firemen and protective clothing required for some jobs, such as safety shoes and hard hats.

Easter Sunday services will begin with a sunrise service at 7:15 a.m., to be followed by a pancake breakfast sponsored by the choir. The breakfast will be served from 8 a.m. until 10 a.m., and tickets may be purchased at the door.

Sunrise Services Planned Sunday Atop Mt. Helix

The 54th Annual Mt. Helix Easter Sunrise Service will be held Sunday with several thousand worshippers from all over San Diego County expected to attend the ceremony.

The Easter message will be delivered by George Failing, of the La Mesa Rotary Club. The Helix High School Choir, under the direction of Robert Rue will provide music. The choir will sing "Sing Unto God" and "Hallelujah Chorus from Mt. of Olives."

La Mesa Rotary Club is responsible for the planning and presentation of the annual event. Since 1954, the Rotary has performed the function under official designation granted by the San Diego Board of Supervisors.

President Chet Alford and committee chairman James Floto, and his committee, are in charge of arrangements for this year's service.

The Easter service is scheduled to begin at sunrise, which will be at 5:41 a.m. Parking will be under the supervision of the California Highway Patrol and the San Diego County Sheriff's Reserve.

Easter Services Set By Christian Church

"What Do These Words Mean?" will be the sermon subject of Dr. J. T. Chase, minister of the Lemon Grove Christian Church at services tomorrow evening at 7 p.m.

The services are part of the church's special services for Easter Week.

Two identical services will be offered Sunday morning, according to Chase. The chancel choir will sing at all services, and Bible School will be held at the usual hour.

The choir will present "Hallelujah For The Cross," a special cantata written by John W. Peterson, at 6:55 p.m. Sunday evening.

Seven Baptisms Set

Seven persons are to be baptized at the First Baptist Church of Spring Valley, Troy st., on Easter morning, at the 11 a.m. services.

There will be special music by the Chancel choir and an Easter message by Rev. Joel Miller, pastor. The congregation has been invited to sunrise services at the Windsor Hills Baptist Church, La Mesa.

Maundy Thurs. Leads Easter Week Services

Maundy Thursday will be celebrated this morning at 10:30 a.m. and again this evening at 7:30 p.m. at the Lemon Grove Lutheran Church, as a part of the church's Easter Week services.

Holy Communion will be offered at services at those times.

Good Friday will be celebrated tomorrow with a children's service at 10:30 a.m. and the veiling of the cross at 7:30 p.m.

On Easter Sunday, a sunrise service will get underway at 6 a.m., with Easter breakfast to follow at 7 a.m. in Luther Hall. The breakfast is sponsored by the youth of the church.

Three services will be held after the breakfast, at 8:30, 9:45, and 11 a.m. No Sunday School will be held, but a nursery will be provided.

Ollie Is A Popular Padre

The children hustle long after the final out and when Ollie Brown appears they gang up on him like a benign posse moving toward a gay roundup.

Brown never avoids his young fans. He seems quietly at home with their adulation and he lingers until all their requests are satisfied.

"I hope people like me," Ollie said. "It's tough for any athlete to perform and not be liked by the people in his home town."

"I think I'm pretty popular with the children and it makes me feel good to think that they now come up to me on the street, or in the market and I'm being recognized all over the city. When this hap-

Ollie Brown . . . Likes Young Fans

pen, it makes you feel like you belong.

"I think all players look forward to the recognition that comes in the majors. But I believe every player still has a responsibility to himself to earn that recognition. I know it's that way with me."

The relationship between the player and the fan is what sustains the sport. There always is a silent but stimulating communication from the player to the fan and some players by nature provoke this more than do others.

"When I make a bad play or strike out, I don't think the fans realize how bad I feel about it," Ollie said. "But I also know that as a professional as soon as I leave the

bench I can't let the bad plays bother me. I have to keep doing my best and hope that I'll get another chance to contribute in some way that will help the team."

Brown is, by any yardstick, a popular player. The San Diego fans watch his performance with affection and coax his heroics with their cheers.

"I believe I'm improving as a player, and I can hear that the fans believe so, too," Ollie said. "There's only one goal I set for myself at the start of the season. And that was to keep on improving."

Brown this year is assured of establishing new highs for himself in homers and runs batted in. And it's well within his reach to hit .300 for the season.

"I still consider myself a streak hitter," he said in appraisal of his performance. "What I have to become is a consistent hitter. That's the necessary starting point if I expect to be a good hitter."

A man asked Brown if he rated himself as a leader, a take-charge type. Ollie said "no," he wasn't a leader in the traditional sense and didn't believe he ever would become one.

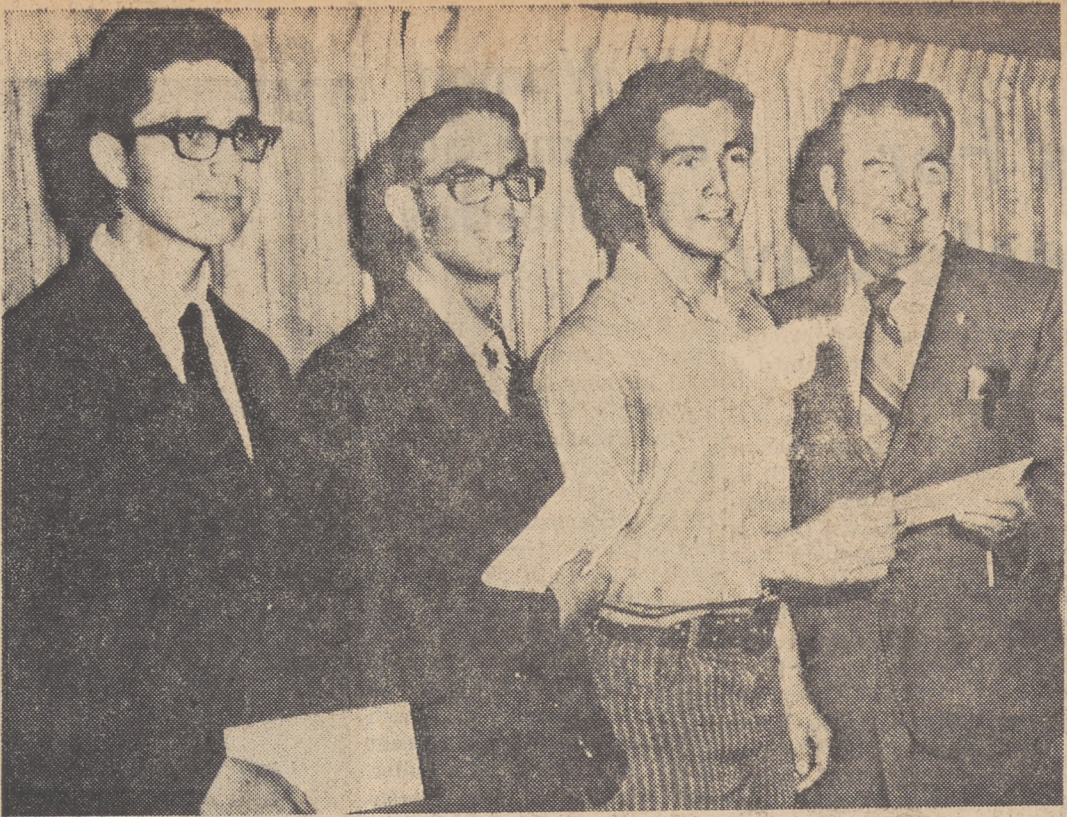

"If I'm going to be a leader of this club, I'm going to do it with my bat," he said. "I'm just not the cheerleader type. I've never been and I can't change. Some people think I should be a leader. But I'm not cut that way."

"I consider myself a quiet person. And it's hard for me to get to know people until I can get something going with them. But I'm comfortable with this club. We're all trying to do the same thing, become better than we are right now."

He was on a pennant contender with the Giants but his residency in San Diego allows him a security that is appealing.

"I still worry about having a job next year," Ollie said. "I may not show it but I do. As a kid I always wanted to be a major league player. Now I'm one and it's a lot different than I thought it would be."

"It's hard on any man, especially if he has a family, to go from year to year not knowing for sure whether he's going to make it or whether someone else will come along who takes away his job."

CASH AWARDS — Eric Edmunds, of La Jolla High, Steven L. Williamson, of Mount Miguel High School, and Larry Larimer, of Santana High, accept cash awards from Charles De Joseph, vice president and manager of the La Mesa Branch of the Bank of America. The students were the top three finishers in the liberal arts category of the Bank of America 1971 Achievement Awards.

Winners In Bank Of America's Achievement Awards Named

The winners in the Bank of America 1971 Achievement Awards contest were announced last week for the San Diego County area semi-finals.

Heading the list of semi-finalists were Susanne Skidmore, of Helix High, Lisa Reitzel, of La Jolla High, Larry Larimer, of Santana High, and Roland Stoughton, of La Jolla Country Day. The students each won \$250 and also earned the right to compete in the Southern California Finals May 27.

Second place finishers in the four categories were Nannette Souhrada, of Grossmont High, in vocational arts; Ayako Kubota, of El Cajon Valley High, in fine arts; Steven L. Williamson, of Mount Miguel High, in liberal arts; and Daniel Cummings, of Granite Hills High, in math and science.

The second place finishers took home prizes of \$50 each.

The semi-finals, in which 48 students participated, were held last week at the King's Inn in San Diego. Competing students in the semi-finals had been selected through preliminary competition held at individual high schools in the county.

At the semi-finals, students were heard by a panel of judges as they participated in group discussions. Scoring was based on the discussions, along with leadership and outside activities at school, and grades.

The achievements program is held annually, sponsored by the Bank of America, and includes representatives from nearly all high schools in the state.

In the finals for Southern California, county winners will join 24 other local finalists at Hotel Del Coronado. Four top prizes of \$1,000 each will be awarded to winners in the contest.

the district as major goals. He said that district facilities should be used to their capacity, not only for education, but by the community whenever it is feasible.

Henry Reinecke, Jr., 43, of Lemon Grove, is a candidate for the Lemon Grove School District Board of Trustees.

Reinecke, who is vice president in charge of engineering at Wavetek Electronics, is married and the father of four.

Reinecke

He is a veteran of WWII with the Army, and also served with the Air Force during the Korean conflict.

He is active in little league, PTA, Indian Guides, Boy Scouts, music parents associations, the Lemon Grove Planning Association, and is a Sunday School teacher.

Reinecke said that the most pressing problem of the district is the increase in enrollment, where he believes that existing space and staff should be used to its highest potential.

He also noted that community involvement with the district is important in maintaining a high quality program and improving where possible.

Scuba Diving Class Planned At College

Grossmont College's Office of Community Service will offer a special course in Scuba and skin diving commencing April 20. The five-week course will meet each Tuesday and Thursday from 6:30 to 10 p.m. in the college's swimming pool.

The course will cover scuba diving techniques, skin diving techniques, diving equipment, physics and physiology of diving, marine life and environment, basic oceanography, as well as underwater first aid and rescue procedures. Three ocean dives from local beaches will be scheduled during the course.

Successful completion of the course will entitle the student to three major certifications recognized internationally. These include a YMCA Scuba Diving certificate, Los Angeles County Certified Diver and National Association of Underwater Instructors certificate.

Skip Dawson, director of physical education at the College YMCA and a veteran diver and diving instructor, will

serve as instructor for the special course. Emphasizing safe recreational diving, Dawson will teach the course in a manner that promises many years of underwater fun and enjoyment in "Inner Space."

A registration fee of \$45 will be charged. Students will be enrolled on a first come first served basis at the first meeting of the class April 20. Each student must supply his own mask, snorkel and fins. The instructor will supply all Scuba diving equipment.

Additional information may be obtained by contacting the Physical Education Department at Grossmont College.

Biomedical Conference At Grossmont

Grossmont College opened its Third Annual Conference on Biomedical Technology and Manpower Monday, with a record breaking number of participants attending the three-day conference. Leaders in the fields of education, industry and the medical care profession explored ways of getting better health care through improved medical technology.

Conferees discussed such subjects as "Medical Health Care Systems," "MEDEX," "Training and Education of Health Care Technicians," "Medical Technology and Technical Support" and "Technology vs Community Needs."

Assemblyman Gordon Duffin, of California legislature, spoke on "Legislation Affecting Health Care Technicians" at a dinner meeting Tuesday evening, in the Town and Country Hotel.

The United States Navy Hospital Corps School, San Diego and the American Association of Junior Colleges, Washington, D.C., joined Grossmont College in sponsoring this year's conference which was held in cooperation with the Regional Medical Program, San Diego and Imperial Counties and the University of California at San Diego School of Medicine.

The San Diego County Water Authority supplies 275,000 acre-feet of water annually to residents of the County.

'Coffee' For Hall Given by Mrs. Collette

A coffee was given Tuesday evening for Victor Hall, an electronics firm proprietor, who is a candidate for trustee of the Grossmont Union High School District board of directors.

The get-together was given by Mrs. R. J. Collette at her home at 2520 Bonita st., in Lemon Grove. Co-hostesses were Mmes. Roland Duncan, Leo Casteau, Raymond Kottik, Victor Hall, and Ed Reinecke.

Victor Hall, it was pointed out, is the only Lemon Grove candidate of the 17 running for the two open seats.

Earlier, a committee to urge the election of Hall said that more attention should be directed to Mt. Miguel where most Lemon Grove high school youngsters are in attendance. The school is overcrowded in spite of double sessions, the committee said.

A local trustee would keep the attention of the rest of the board directed to the problem, it was asserted.

The election is April 20.

MEETS FLAVOR — Larry Tyler, right, as he prepares to give the baton to Jerry Eubanks after running first leg of 440-yard relay for Mount Miguel in last Friday's meet against

Monte Vista. Mount Miguel won the relay by a handy margin to get the Matadors started on a 79-57 win over the Monarchs.

Miguel Spikers Roll On, Kill Monarch Title Hopes

The Mount Miguel High School track team, always a team full of surprises, swept the 880 and the long jump last Friday afternoon on the winners' oval to take another giant step towards winning the Grossmont League dual meet title by downing Monte Vista, 77-59.

The tone of the meet was decided early, as a bad handoff killed the Monte Vista 440-yard relay team's chances, and Mount Miguel took command of the long jump.

Things grew even dimmer for the visiting Monarchs when Mount Miguel managed a sweep in the 880.

With an undying effort, however, Monte Vista fought back to pick up firsts in the pole vault, discus, and triple jump, and claimed five points for the mile relay when the Matador team was disqualified.

In the 100-yard dash, it was Mark Romano nipping Milton Johnson at the tape, with Larry Tyler close behind, giving the Monarchs the edge in that event.

In the 220, it was Romano again, this time with Tyler a step back in third, giving the Monarchs the edge again.

In the 440, Mount Miguel's Mike Dougherty took the tape in first place a stride in front of Monte Vista's Dan Close.

In the 880, the first surprise of the day took place, as Gary Trask led a Matador sweep in 2:02.4 in only his second race of the year. On the dope sheets, Monte Vista had first place, but a brisk pace on the first lap spelled points for Trask and his teammates.

In the mile, Bob Morrison, who later confessed that he was not feeling well after eating a big lunch, got the five points for Mount Miguel, turning in a 4:31.2 clocking. Tom Sims was second for Monte Vista.

Joe Stubbs and Jimmy Jones teamed up for a 1-3 punch in the two-mile for Mount Miguel over the sadly deteriorating Monte Vista distance crew. Gary Close was second for Monte Vista.

In the hurdles, Jerry Eubanks and Milton Johnson provided the Matadors with a wider point spread, as Eubanks nailed down first in the 120-highs and second in the 180-lows. Johnson took first in the 180's.

Rounding out the track events were the 440-yard relay, where Larry Tyler, Eubanks, Johnson, and Larry Minard brought the win for the Matadors.

Tyer, running the first leg for Miguel, gave the home team a slight edge as he handed off to Eubanks, who increased the margin greatly. Minard, on the third leg, held the Miguel edge and handed off perfectly to Johnson, who ran away from Mark Romano, who was hampered by a slow handoff.

The mile relay looked very good for Mount Miguel as the team finished seven seconds ahead of the Monarchs, but the Matador team was disqualified for an illegal baton pass on the first leg.

In the field events, a Mount Miguel sweep in the long jump and a surprise win by John Slater spiced the action.

In the long jump, Pat Burke nailed down the top spot and was followed by John Heimsater and Milton Johnson. Mark Romano, of Monte Vista, was fourth, but was less than five inches behind first place with his 20-11 leap.

In the high jump, John Slater, who was still suffering the effects of the chicken pox that kept him out of action last week, won with a leap of 6-1. Gary Neaperski was second for Monte Vista.

In the pole vault, Max Galdon took first place with a 13-0 vault, and teammate Jerry Randel took first in the triple

jump with his best leap of the year, 44-3.

Mike King continued in good form in the shot put, winning it for Mount Miguel with a 53-4½ toss, but finished third in the discus. Monarch Les Frank topped the field in that event with an effort of 148-9.

Both Monte Vista and Mount Miguel will join the rest of the Grossmont League teams this week in competing in several relay meets. The featured meet will be Saturday morning at Balboa Stadium, the San Diego Relays.

League competition will resume April 16 when the Matadors will visit El Capitan at 3 p.m. and Monte Vista invades Granite Hills.

SECOND PLACE EFFORT — Monte Vista's Gary Neaperski goes up and over crossbar in high jump action last Friday at Mount Miguel. Neaperski cleared 6 feet in the competition, but placed second place to Miguel's John Slater, who went 6-1.

Top Stars Listed For San Diego Relays

Pole vaulter Bob Seagren, world 400-meter recordholder Lee Evans, .09.2 sprinter Earl Harris . . . these are just a few of the track and field stars who will be on hand Saturday to compete in the 12th annual San Diego Relays at Balboa Stadium.

Offering many of the country's top athletes in three divisions — high school, junior college and university-open, the 76-event program will get under way at 9 a.m. with the high school pole vault.

The meet's official opening ceremonies are scheduled for 1:50 p.m., followed by a full afternoon of finals action in all classifications. The day's final event, the University-Open Mile Relay, is scheduled to bring the festivities to a close at 5:35 p.m.

Last year's pre-Easter relays carnival attracted more than 1,200 athletes, the most ever; but Success expects that record to fall Saturday when he looks for more than 100 teams and 1,500 participants to compete.

This year's meet will feature women's competition in three events for the first time in three years. The women will vie in the 220-yard dash, the 440-yard run and a sprint medley relay.

Three more new events will be offered in the University-Open division this year, providing competition in the 880-yard relay, sprint medley relay and a special invitational 440-yard intermediate hurdles race in which Evans will compete.

The high school division includes an expected 80 teams from throughout the state while the junior college division will feature about 30 of the best from California and Arizona.

Olympic champion Billy Mills, winner of the 10,000-meter run at the 1964 Olympics in Tokyo, will serve as the meet's honorary referee while Miss Antonette Yuskis, 18-year-old freshman at University of California at San Diego, will reign as the 1971 San Diego Relays queen.

The San Diego Relays is being co-sponsored by the San Diego County Heart Association. Admission prices are \$2 for adults and \$1 for students.

Chargers-Rams In Hoop Game

Members of the San Diego Chargers and Los Angeles Rams football teams will meet in a benefit basketball game tomorrow night at 8 p.m. in Peterson Gym on San Diego State Campus.

The proceeds from this game will go to the Southeast Pop Warner Football Assoc. to help defray expenses and also to help eradicate a \$14,000 deficit that has been accumulating since the origin of the league some 8 years ago. The proceeds from this game will also enable Southeast to participate in Pop Warner this year.

Appearing for the Chargers will be Bob Howard, Jim Hill, Steve Delong, Marty Domres, Jim Tolbert, Mickey McCarty, and Terry Owens.

Aztecs Send Contingent To S.D. Relays

A select squad of track and field men will represent San Diego State Saturday in the 12th annual San Diego Relays in Balboa Stadium.

Aztec athletes will enter four relay events and nine individual contests during the one-day affair.

Coach Dick Wells' plans call for State to compete in the distance medley, mile, 880 and 440 relays. Wells will combine Tim Vincent, Steve Basay, Armando Valencia and Tim Dantelson in the distance medley and then come back in the mile relay with James King, Clark Dimon, Joe Kinney and either Eddie Steward or Vincent.

In the 880 event it'll be the foursome of Ralph Lavage, Vincent, Lynn Meyer and Steward while in the dash relay the quartet will be John Phillips, Lavage, Meyer and Steward. The latter combination registered a school record 41.2 in action last week.

Individual competition will feature Arnie Robinson in the long jump, Jerry Culp in the high jump, pole vaulters Rick Olander, Dave Buehner and Al Kent, and triple jumpers Buehner and Grady Rogers.

In the running events the Aztecs will be represented by intermediate hurdler James King, dash men Eddie Steward and Ralph Lavage, three-milers Bill Inglehart and Otis Martin, six milers Dave Matheny and steeplechasers Mike Cour and Scott Claypoole.

Jim Hitt Sets 2 Track Marks At Racetrack

The 1971 Cajon Speedway racing program got started Saturday night on the 3/8 mile asphalt oval, and area drivers fared well in the super stock opener.

Lemon Grove's Jim Hitt was the local area's star performer, as he set a new qualifying record of 18.58 seconds for a single lap and also claimed a record in the three-lap trophy dash, winning in 1:18.78.

Lanny Pemberton, of Lemon Grove, finished first in the 10-lap consolation race, and Hitt went on to finish fifth in the main event.

Rounding out local winners were Carl Walrath, who took first in the limited stock heat race and main event. Walrath, of Spring Valley, covered the 10-lap main in 3:35.77. Joe McCormack, also of Spring Valley, finished fifth in the limited main.

Ed Hale, defending points champion in super stock competition at the speedway, had bad luck Saturday night, as he went out of the main event in the second lap after tangle with Tex Kimbrell in the south turn.

Cactus Henyan, of Jamul, also had tough luck, mixing it up with Dennis Dannat in the same spot where Hale lost it.

More racing action is scheduled for this Saturday evening with qualifying at 6:30 p.m.

Gulls Set For Bucks Saturday

The San Diego Gulls will square off with the Portland Buckaroos Saturday night in Portland for the second game of the Lester Patrick Cup playoffs.

The first game of the playoffs was held last night, also in Portland.

The two teams will then head for San Diego for the third game Sunday night at the International Sports Arena, and follow it up with another San Diego appearance Tuesday night.

The fifth game, if necessary, will be played on Portland Ice April 14. The sixth game, if needed, will be back in the Sports Arena April 17, and it's back to Portland if a seventh meeting is needed in the best of seven series April 20.

The Gulls, who finished third in the Western Hockey League, were forced to meet the first place Buckaroos when they lost their bid for second place Saturday night when Phoenix beat them, 3-0 in Phoenix.

Had the Gulls beaten Phoenix, it would have given them second place and the right to tackle Denver, the fourth place team, in the first round of the playoffs.

If the Gulls succeed in their series with the Buckaroos, they will go on to meet the winner of the Phoenix-Denver series for the Lester Patrick Cup, also a best-of-seven affair.

All playoff games will be broadcast on KFMB radio (760), a switch, as all regular season games were broadcast on KOGO radio (600). No arrangements have been made for television coverage yet, although it is possible that some of the games at Portland may be televised, according to a spokesman for the Gulls.

USIU In Tri-Meet Saturday

Fresh from a 118-36 victory over Cal Lutheran last week, the United States International University track team takes on some top-notch competition this week in a triangular meet with Westmont and the University of California at Santa Barbara. The meet is scheduled for 1:30 p.m. at Goleta.

"Westmont is one of the strongest teams in NAIA District 3 and in Jean-Louis Ravelamanatsoa, sprinter from Madagascar, they have one of the premier performers in the world," Dr. Jim Crakes, coach of USIU, said.

"Ravelamanatsoa is the NAIA national champ for 60 yards and he has been clocked at 9.3 for the 100-yard dash this spring. We have a pair of sub-10-second sprinters in Bill Knight and Mike Turnipseed, but they are no match for the Westmont ace."

Crakes said that Ravelamanatsoa will be among the group of outstanding athletes who will compete here on May 14 and 15 in the NAIA District 3 meet.

TAKING THE TAPE — Bob Morrison, Mount Miguel's ace miler, takes the tape at the finish line after covering the four laps in 4:31.2 to win the event and add five points

to the Matadors' total. Morrison confessed after the race that he was not feeling very well after eating a big lunch earlier in the day.

Matadors Split Two, Tie For Second In Baseball Title Chase

Mount Miguel High School's baseball team lost for the second time during the league season last Tuesday but battled back Friday to even its record at 2-2, good enough for a tie for second place.

On Tuesday, the Matadors invaded Grossmont High for a showdown with the then-winless Foothillers, a team that finished in last place last year.

In the opening inning, Matador hurler Tom Urban was greeted with booming bats that struck for two runs. In the second frame, Urban was hit well again, and again the Hillers tagged him for two runs. In the third inning, Urban gave up a run before he was relieved by Bob Pannel.

Pannel got out of the inning with no more damage and went on to shut out the Hiller hitters for two more innings before giving up a run in the sixth.

Matador hitters had no success in the early part of the ball game, either, as they were unable to score a run in the first four frames.

In the top of the seventh, down 6-4, the Matadors looked like they might explode as Tim Miller hit Zanateel's first pitch over the right field fence, Zanateel came through, however, setting the next three batters down in order to give the win to Grossmont, 6-5.

On Friday, Mike Smith took the mound for Mount Miguel as they invaded Helix High. Smith threw only eight pitches, walking two men, and was yanked in favor of Pannel, who promptly pitched nine innings, giving up four hits and no runs, although one man scored in the first inning when

Pannel gave up a single. In the fifth inning, Mark Schuff moved to third base on Pannel's ground out and came in to score moments later on a passed ball to tie the score, 1-1.

In the top of the ninth, the first two Matador hitters were set down, but Pannel beat out an infield hit and took second on a wild pitch. Tim Miller then banged a neat single to right field to bring in the run.

The giants of the National League aren't all in San Francisco.

And the Padres will meet most of them in the next two weeks.

The real Giants and the Padres conclude their opening season three-game series tonight at San Diego Stadium. It will be rookies Steve Arlin of the Padres and Steve Stone of the Giants squaring off at 7:30 p.m.

Then the Padres visit Los Angeles for three games with the Dodgers, play a pair with the Giants in San Francisco and return home for an eight-game home stand against the Cubs, the Cards and the Dodgers.

Good seats for these games, including tonight's contest with the Giants, are available at the Padre Stadium ticket offices. Ticketron outlets throughout San Diego County and by telephone, call 283-4494.

The Padres, seeking a fast start this season, realize that the schedule offers a severe challenge. Their first 16 games will be against teams whose composite record last year was an impressive 333-314.

But the Padres always have

Padres To Take On 'Giants' Of League

fared well against the contenders. They whipped the Reds 10 of 18 last year and split the season's series with both the Pirates and the Mets.

Leo Durocher brings his Cubs into town for night games April 16 and 17 and a 1 p.m. Sunday game April 18.

Then the Dodgers, with special guest star Dick Allen, appear for an early showdown Monday, Tuesday, Wednesday nights, April 19, 20 and 21.

Summer Session Applications Due By June 23

Grossmont College began accepting applications for the 1971 summer session April 1. Application deadline will be June 16, with classes scheduled to convene June 23.

Anticipating the largest enrollment in summer session history, the college will offer 133 different courses during the summer, a record-breaking number of courses representing a substantial increase over last year. Additional classes have been added in many courses to accommodate the anticipated record enrollment.

Application for enrollment is open to all high school graduates and other persons over 18 from the instruction offered. Preregistration, tests and transcripts are not required for admission to the summer session. There is no tuition charge, but a \$4 student services and parking fee will be collected and students must purchase their own textbooks.

With many courses offered in the evening, the summer session provides all residents of the Grossmont Community College District and adjacent communities the opportunity to enroll in classes for self-enrichment or to strengthen weak subject area. All courses carry college credit and are fully accepted on transfer by California State Colleges and Universities.

Priority for registration is based on date of application. Application forms and schedule of classes offered are available in the admissions office and information concerning specific courses offered may be obtained by contacting the summer session office at the college.

Engineering Students At Grossmont Use Computers

Students enrolled in Grossmont College's engineering course, Manufacturing Materials and Processes, are now able to design computer programs to manufacture circuit boards on a numerically controlled milling machine that is in turn programmed to punch the tape that operates the numerically controlled milling machine.

Designed to provide the student with a knowledge of the complete process, the course provides experience in computer programming, punch-tape production, milling machine operation and circuit board production. The course is an integrated study of material properties and their relation to manufacturing processes in current industrial practices.

Repairman Moves

Spring Valley T.V., which has been operating on North Granada, in Casa de Oro, has moved to new quarters, 8822 Troy st., next to Curt's Barber Shop.

Jim Steele, owner and operator of Spring Valley T.V., was born in Lemon Grove and graduated from El Cajon High School. He served two years in the U. S. Army and since has been in the T.V. business.

Children's Play To Open Next Week At USIU

Because of Easter vacations, there will be no shows Saturday by United States International University's Theatre for Children in the Center for the Performing Arts, 350 Cedar st.

The Theatre for Children productions which are given twice every Saturday, at 11 a.m. and 2 p.m., has now completed its presentation of "All Baba and the Magic Cave" and is preparing its final production of the current season, "Winnie the Pooh" which opens April 17.

"Winnie the Pooh" is adapted from the classic A. A. Milne stories that almost every grown-up and child is lovingly familiar with. The delightful tales about Christopher Robin, the animals and of course, Winnie the Pooh, have been favorites for years.

Director for the production, Kerry Duse, announced his leads are Tom Searle as Winnie the Pooh; Sandra Covey as Christopher Robin; Philippa Nicolson as the Narrator. Tickets and reservations for "Winnie the Pooh" can be made by contacting the Theatre for Children box-office or by phoning 239-0391, ext. 11. The run will continue through May 29.

Garden Section Meets

The monthly meeting of the Lemon Grove Woman's Club, Garden Section, was held at the clubhouse, 2810 Main st., Tuesday, followed by a luncheon at Aunt Emma's Pancake House, and a tour of Dr. Troxell's Epiphyllum Gardens.

More than nine million minks a year are produced in the Scandinavian countries, with most of them being exported to the U. S.

COUNTING ON TRIP — Claire Duckworth, left, and Donna Dietrich, Pat Donnelly and Nancy Benson, count money that they have collected to finance their trip to Pullman, Washington, where they will compete in the Women's Collegiate National Track and Field competition next month. The girls, students at Grossmont College, are all nationally ranked athletes. Pat Donnelly, who is also the newly crowned Miss La Mesa, took first place in hurdles in the competition last year. Nancy Benson was a member of the US team that toured Australia in 1968, competing in the 440. Donna Dietrich, is the fourth ranked javelin thrower in the United States.

Applications For Study Tour Taken At College

Applications are now being accepted for Grossmont College's Third Annual European Study Tour. This year the study tour will offer six units of college credit for a course titled "Contemporary Social Issues."

The study tour, limited to 40 students, will leave San Diego International Airport June 23, and fly direct to Rome. The return flight is scheduled to leave London, August 5 and fly direct to San Diego. Cities scheduled for visits, in addition to London and Rome, are Florence, Venice, Innsbruck, Lucerne and Paris.

The cost of the study tour has been set at \$1195. This basic cost will include all transportation and lodging, two meals each day with all fees and tips included and an International Student Card, good for discount prices during the tour. Transportation will be by aircraft, railroad, motor coach and ship.

Lodging will be reserved in clean, comfortable tourist hotels near the center of each city visited, and food will reflect native cuisine and will include breakfast and the main meal of the day. Field trips are also included in the basic study tour cost.

The study tour will take advantage of the unique experience of traveling in Europe. Each student participating will have the opportunity to select a contemporary social issue that is of interest to him and that can be studied firsthand in Europe. Experts in many fields will provide the student with a firsthand interpretation of the issues in his country. The student will be encouraged to do some reading in advance of the tour. To earn credit upon completion of the tour, the student will be required to write a paper summarizing what he has learned.

Gallery Plans Art Classes

A ten week series of watercolor painting classes will be offered at the Fine Arts Gallery beginning April 15, with classes to be held Thursday afternoons from 1 to 3 p.m. in the gallery classroom. Instructor for the class will be Jim Kacirk.

Only the first twelve persons applying will be accepted. By keeping the class limited, individual attention may be given to each member, according to Kacirk.

Demonstrations, discussions and tours of gallery exhibitions will augment class work. Students should expect to paint on their own outside the class.

Fees for members of the gallery are \$25, and \$33 for non-members. It is suggested no outside materials be purchased until after the first class meeting.

Last Show Of Season Set By Showmasters

The Helix Showmasters will present their last show of the season tomorrow at 8 p.m. in the Ben Polak Auditorium, 8053 University ave., in La Mesa.

The presentation will be a taped slide show, "Destination: South Pacific" by Helen and Bob Stinnett, who visited and photographed Tahiti, Moorea, American Samoa, Fiji, Australia, including Tasmania, and New Zealand.

The public is invited to attend the shows and no admission is charged.

Richmond, Va. is about 100 miles from Washington.

'Grand Funk Railroad' To Make Local Debut

By Lynn Jones

Grand Funk Railroad will make their San Diego debut April 15 at 8 p.m. in the Sports Arena. Also appearing with them will be a new group called Bloodrock.

Grand Funk is less than two years old. There are three members: Mike Farner, guitar; Mel Schacher, bass; and Don Brewer, drums. They arouse a special enthusiasm in all their followers, which their manager, Terry Knight, says is charisma.

As far as their background goes, the band is really unknown. All three of the members come from Flint, Michigan, but they seem to prefer avoiding the press. The group is making plans for a world-wide tour this year and have recorded four gold albums in four months. They include "On Time," "Grand Funk," "Closer To Home," "Live," and they have a fifth on the way, "Survival."

Bloodrock is a sextet coming from Texas. They will open the show and are well known for their single, "D. O. A." They now have a new album on the market entitled, "Bloodrock 3."

Tickets are \$4, \$5, and \$6. They are available at all Sneaker Inns, Bill Gamble's Mens Stores, Central Ticket Agencies and the Sports Arena Box Office, (224-4176).

"Dark of the Moon," a fantasy based on the ballad of Barbara Allen, will be presented by the Monte Vista High School Senior class on April 15-17.

The play, which will feature several musical production numbers, is set in the Smoky Mountains and tells the story of John, a witch, who falls in love with Barbara Allen, a human. John is changed into a human on the conditions that he marry Barbara and that she remain faithful to him for a year.

The cast includes David Little, Anita Connors, Lewis Hinchelton, Ramona Gardner, Barry Gehl, Sue Collier, Mike Wilts, Garold Schnell, Rachel Lewis, Debbie Mitchell, Mitch Kaye, Kris Unsicker, Eric Patterson, Mark Sunderson, Richard Herzo, Donna Newton, and Julie Marsh.

Tickets will be 50¢ for students with ASB cards and \$1 for adults. For further information call 465-1300.

The Kinks will make their first debut in San Diego at 8 p.m. in the Community Concourse at the Convention Hall. Also on the bill will be a new band organized in San Francisco called Mike Bloomfield.

Michael Bloomfield, a guitarist, belonged to the Paul Butterfield Blues Band and the Electric Flag. He organized this band after he stopped playing for the other two bands.

The Kinks are led by Ray Davies, vocalist, songwriter and rhythm guitarist. Other members include Dave Davies, lead guitar; John Dalton, bass; and Mick Avory, drums. Their records include "You Really Got Me," "Sunny Afternoon," "All Day And All of the Night," and "Tired of Waiting."

For more information call 236-6510.

This Saturday and Sunday at 8 p.m. and 2:30 p.m. respectively, the Southland Music Center, 3459 Imperial Ave. in Lemon Grove, will have theater organ music by Lloyd del Castillo to accompany the silent film "Iron Mask," starring Douglas Fairbanks.

Lloyd del Castillo is a semi-retired player from silent movie days. He was a theater organist during the 1920's and performed in many of the country's old movie houses. He will also play for the sing-along portion of the show.

"Plaza Suite," starring Dana Andrews and Pamela Britton, will open April 14 at the Off Broadway Theatre, 314 F St. This Neil Simon comedy can be seen at 8:30 p.m. on Tuesdays, Wednesdays, and Fridays; and on Thursdays and Saturdays at 2:30 p.m. and 8:30 p.m.; and on Sunday at 5 p.m. On April 13 and 14 the show can be seen at 8 p.m.

Tickets are on sale now. Opening Night tickets are \$10. For reservations call 235-6535.

Ten Bands Selected For La Mesa Tourney

Final selections of ten of the West's most outstanding high school marching bands has been made for La Mesa's Third Annual Western States Music Tournament.

Hardy Kuykendall, Jr., Tournament President, said the city of La Mesa will host more than 2,000 students, parents, and teachers during the two-day music festival, which is scheduled for May 7 and 8. Performing in concert, sight-reading, marching and half-time entertainment competitions, the bands "will participate in a unique musical experience," according to Kuykendall.

"These youngsters represent the best qualities of American Youth — dedication, spirit, and a keen sense of competitiveness. Each band is recognized in its home area for the high quality of its music program. Each band is coming here to La Mesa with a desire to win," Kuykendall said.

Band members will stay in the homes of La Mesa "boosters" of the tournament.

Chargers Sign 3 Free Agents

The San Diego Chargers have signed three players to free agent contracts, it was announced by general manager Harland Svare last week.

They are defensive backs Aubrey Duncan, 6-1, 186, from Cal State at Los Angeles and Otto Love, 5-7, 180, from Wiley College and offensive tackle William Wayman, 6-4, 255, from Santa Clara.

Duncan and Love also competed in track. Duncan has run the 230 and 440 yard dashes in 21.0 and 46.9 seconds. Love was timed in 9.6 for the 100.

Stull's Bill Would Change Residency Law

Assemblyman John Stull (R-Leucadia) has introduced a bill to change the definition of California residence for students entering community colleges. Current law permits a student to move into California on one day, establish residence, and enter a community college the very next day — paying resident fees. Stull's bill would establish a minimum one-year residence period for a student to qualify for entry into a community college as a California resident.

"I propose to bring community colleges under the same residence requirements established for the university system and the state colleges," said the San Diego lawmaker.

"Community colleges enroll 85 percent of all freshmen and sophomores in California, including private institutions. With approximately 834,000 students, it seems likely that California taxpayers are paying for the education of many an out-of-state student who establishes California residence only for the duration of his or her college stay.

"The non-resident whose only interest in California is a subsidized education will no longer be able to have both a totally subsidized education and the ability to establish California residence immediately before entering a community college.

"This bill is bound to save California taxpayers a sizable amount of money," Stull concluded.

Mars will be nearest the earth on Aug. 11.

Lemon Grove Woman Marks 25 Years With SCFNBank

Twenty-five years on the job with Southern California First National Bank was celebrated last month by Hazel Dunn, wife of James F. V. Dunn, 3239 Sweetwater ave., Lemon Grove.

Mrs. Dunn has been on the staff of the SCFNB office in La Mesa since March 25, 1946. Her fellow employees helped to celebrate the anniversary with a party in her honor.

A native of South Dakota, Mrs. Dunn is active in the San Miguel Chapter, Order of the Eastern Star, and serves as treasurer of La Mesa United Methodist Church. She is a past vice president and president of "The Kumdubbles," a church social group.

Mrs. Dunn is an accomplished painter in oils, and many of her works have been exhibited in the La Mesa office of Southern California First National.

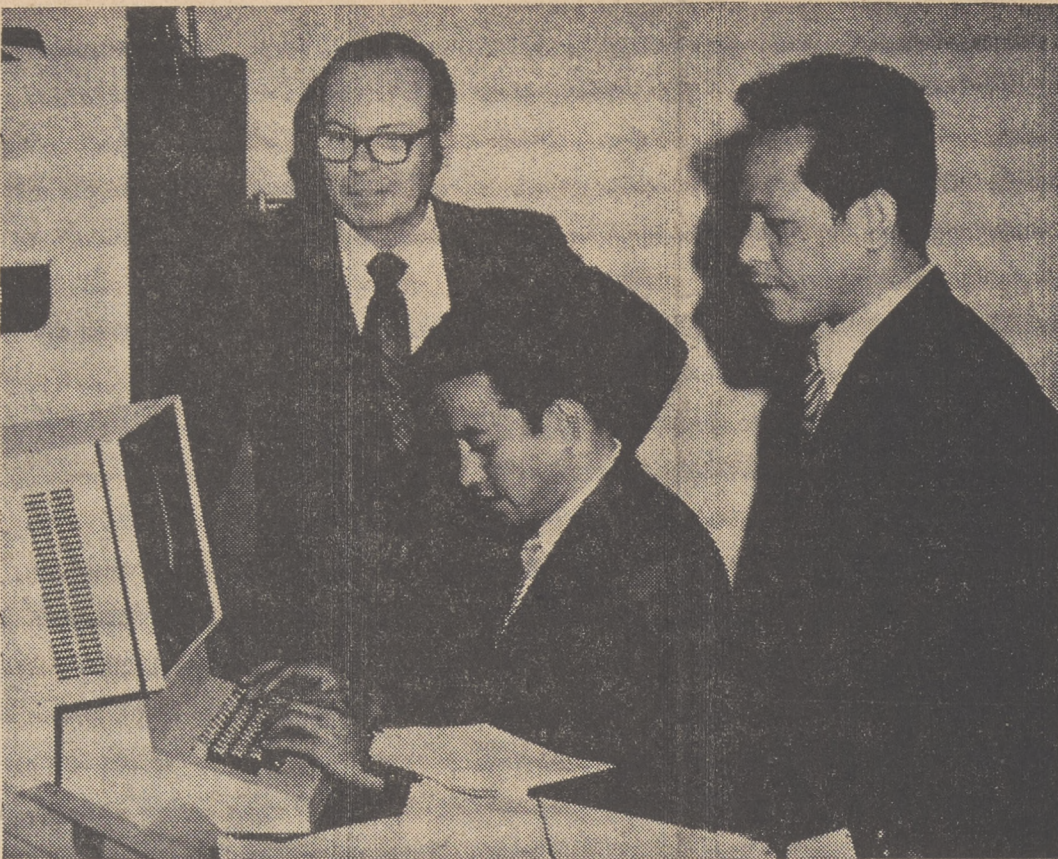

Three Receive Service Award Pins In March

Three employees of the San Diego Navy Public Works Center from Lemon Grove and Spring Valley were honored last month with the awarding of service pins from the Secretary of the Navy.

Santos Delfin, of 404 Osage st., Spring Valley, was one of three Public Works Center employees who received 40-year pins.

Calvin S. Lowrance, Jr., 2040 El Prado ave., Lemon Grove, and Charlie W. Zaleckis, of 88149 Baldwin rd., Lemon Grove, were each presented 30-year pins. The two were among 17 who received awards.

TRAINEES FROM SAIPAN — Jesus Mafnas, center, and Antonio Arriola, right, trainees sent here by the Trust Territory of the Pacific Islands, get a lesson in the use of latest on-line terminal for access to computer-stored information. Instructor is Gerald J. Lonergan, San Diego County Auditor and Controller.

County Auditor And Controller Hosts Trainees From Saipan

Jesus Mafnas and Antonio Arriola, young officials in the government of the Trust Territory of the Pacific Islands, are taking 12 weeks of intensive training in the San Diego County Auditor's office.

Gerald J. Lonergan, San Diego County Auditor and Controller, said the County was chosen as a training ground because of its reputation for maintaining progressive attitudes and up-to-date accounting methods.

Mafnas and Arriola will work in every section of the Auditor's office, their expenses paid by the Trust Territory. They're enthusiastic about their work here, especially new ways of using computerization and automation. They think San Diego is great, too, but Mafnas admits, "The first day here it took us five hours to find our way back to our apartment."

Both young men have worked their way up through a number of Territory government positions. Arriola, a native of Saipan, is now Chief, Allotment and Ledger Section, which controls and accounts for the budget. He has been responsible for computerizing payroll and leave records for 2000 employees; hopes to expand the program when he returns. He speaks Spanish and Japanese as well as English and his native Chamorro.

Mafnas was born in Yap, Western Carolines, known for its monumental stone money. At present, he is Special Assistant to the Chief of Finance and Accounting Section. On return to Saipan, he will conduct training programs for town clerks.

At the end of World War II, the United Nations set up the Trust Territory of the Pacific Islands, assigned it to the United States to administer. The Territory spans three-million square miles and 2,141 islands in the Pacific; includes names familiar to many Americans — Eniwetok, Truk, Kwajalein.

The government has some 2,800 employees; headquarters

on the Island of Saipan administers a \$60 million annual budget. Adding to administrative woes are the nine languages spoken in different areas.

The United States is preparing residents of the Trust Territories for self-employment, with trainees in several locations in the United States. They are also being helped to develop natural resources and native skills so the area will be geared to the world economy. Tourism, fishery, and agricultural production are making good progress.

LG Planners Meet Today

An Executive Meeting of the Lemon Grove Planning Association is being held today at 3 p.m. at the Golden Avenue Elementary school auditorium. A continuing study of a community plan will again be taken up. The series was interspersed with a membership meeting held in March at the Lemon Grove Junior High school.

Jim Dorman presides at today's meeting. All interested persons are invited to participate.

Last 'Pops Concert' Scheduled April 28

Monte Vista High School's last "pops concert" will be held April 28, through May 1. The program, directed by Monte Snyder, will feature groups such as "Dakota," "Montezuma's Revenge," "Greenfield," and "Three Cool Cats." Many singers and dancers will also perform.

Snyder said that other presentations planned for next year by the performing arts department will eliminate any pop concert.

Southern California Exposition To Begin June 24 At Del Mar

Starting on a new day this year, headed by a new manager and promising a bigger show than any of the 81 fairs that preceded it, the Southern California Exposition will be held from June 24 through July 5 at the Fairgrounds in Del Mar.

The Expo will begin this year on a Thursday, running through a Monday holiday celebrating Independence Day. It will be headed by William Dumond, who took over management this year from R. J. O'Connor. Sponsor of the Exposition is the 22nd District Agricultural Association whose new president is William D. Evans.

A total of \$142,444 in premiums will be offered for exhibitors this year in categories ranging from livestock, horse show, feature exhibits, floriculture, horticulture and agriculture to home economics, gems and minerals, arts and crafts, industrial education and entomology.

This compares with \$137,866 in total premiums last year and is considerably more than was offered at the initial Exposition, the Agricultural and Horticultural Fair for the County of San Diego in 1880 in National City.

Flower Show Superintendent Bob Lamp has indicated that the over 3½ shaded acres accommodating plants and flowers from all over the nation will be dedicated this year to "Preservation of America's environment and the beauty of its landscape." The ecology theme calls for incorporation of massive fountains and waterfalls into displays "to represent our precious rivers, streams and lakes."

This year's Exposition display in the Exhibit Hall will be a huge fountain encompassing plants and flowers and dedicated to preservation of the environment. A landscaped fountain at the main entrance will be enhanced by props illustrating characters and settings from children's literature. Lamp indicates every effort has been made to create an entirely new flower and garden show for 1971.

The National Horse Show, offering \$24,000 in premiums and some of the finest show horses in the nation, will be headed this year by Alan Balch, who takes over from the late superintendent Eric Atterbury.

Entries for all departments except rabbits, photo show and art show will close on June 1. Rabbit entries are due June 15, photo entries May 18. No deadline has been announced by the art show. Entry blanks are available by calling or writing the Exposition and indicating name, address and category of entry, according to Rene Bohn, entry department head.

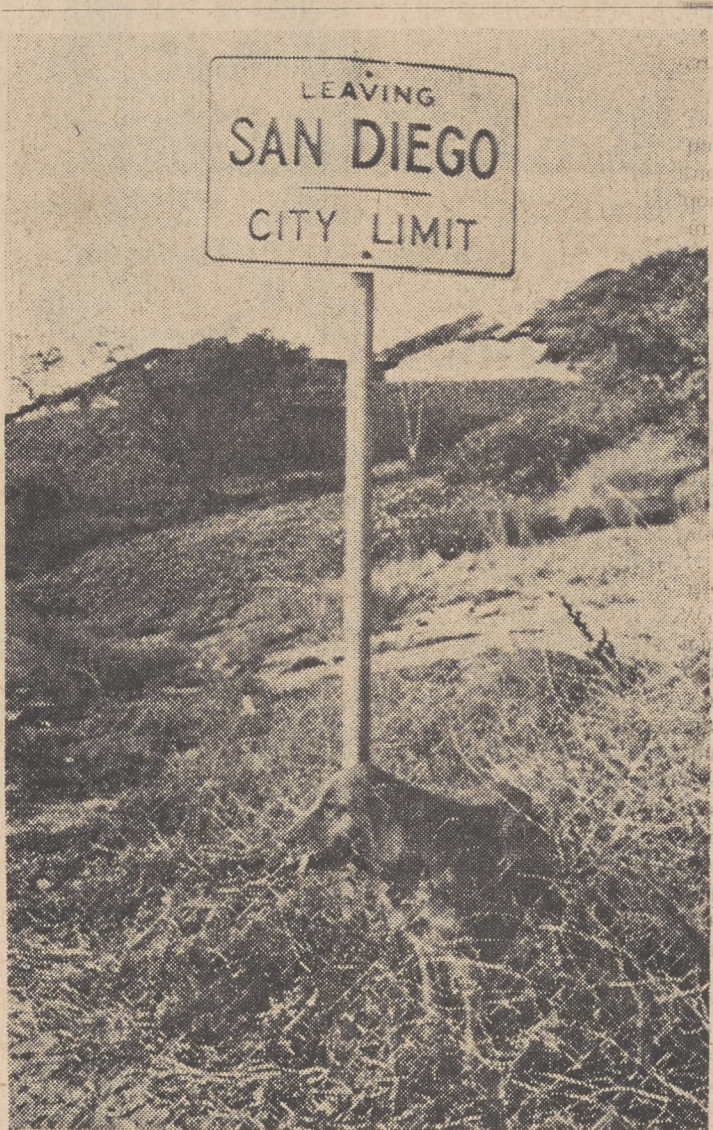

Date of the junior and senior livestock shows have been announced by Mrs. Bohn as June 24-29 and June 30-July 5 respectively. All other exhibits will be on display throughout the run of the Exposition.

Always a hit of the Del Mar

event are appearances on the grounds of Don Diego, played by actor Tommy Hernandez for the past 22 years, and the Fairest of the Fair.

The first of 26 local entries for the Fairest of the Fair contest was held March 12, and the Miss Spring Valley

contest was held March 17. Miss Spring Valley, the newly crowned Peggy Franklin, will compete for the Fairest of the Fair before the exposition opens. Miss Lemon Grove, who will also compete for Fairest of the Fair, will be chosen April 17.

COUNTY CONTROLS — By an agreement between the City of San Diego and the County, the County has assumed responsibility for animal regulation inside and outside of the city, bringing about uniformity of control and regulations to over half of the County. The change became effective April 1. Certain cities, including El Cajon, La Mesa and National City, provide their own animal regulation service and have slight variances in ordinances. Variances include leash laws, the number of animals that can be kept by an owner, and fees.

PTA Highlights

Mt. Vernon
A gift of \$100 for purchase of new library books has been presented to the school by the student council of Mt. Vernon Elementary School, according to an article in the school's monthly publication, the "Mount Vernon Review." The newspaper is published by fifth and sixth grade students.

D.A. Takes Saenz as Aide

Phil Saenz, former executive director for Job Opportunities in electronics, has been named by District Attorney Edwin L. Miller as special investigator to serve as liaison between the community, the district attorney and other law enforcement agencies. Miller said Saenz has had extensive experience with various Mexican-American organizations in San Diego County and will serve as a spokesman for the DA's office in matters effecting law enforcement.

Saenz will receive \$12,624 a year in the unclassified position. He is married, has three children and lives in Bonita. He was a sergeant in the U. S. Marine Corps until 1957. He is presently attending Western States University College of Law.

dents from the classes of Loy Holmquist, Fran Applebee and Robert McNeerney under the direction of a Mt. Vernon PTA volunteer advisor.

Other articles in the seven page paper included teacher and student biographies, editorials, crossword puzzle, the school chorus and Mt. Vernon pupils in the Lemon Grove Junior High band and orchestra and classified ads.

The staff's monthly survey revealed an overwhelming rejection of all-year school by students.

Mount Miguel

Mount Miguel High School PTA honored three persons at the March meeting for their years of service to youth of the community.

Mrs. Herbert Ruiz, an active PTA member for 14 years, has served on Executive Boards at Palm Junior High, Mount Vernon, and Mount Miguel. She and her husband have been co-presidents of Mount Miguel's chapter of the American Field Service, and she has served on other committees of the AFS.

Jim McPherson has given freely of his time and efforts to Little League, Pony League, Bobby Sox, Pop Warner, and is currently treasurer of Mount Miguel Music Parents Club. He was responsible this year for money-making projects that financed the Matarador band's trip to the Rose Parade.

A special recognition award was presented to Brad Underwood, teacher at Mount Miguel for the extra hours he has spent with youth.
